

Spring Grove Floral Phenology List

The purpose of this phenology list is to record the floral sequence of bloom as seen on the grounds of Spring Grove Cemetery and Arboretum. Each month is divided into three periods: *Early month* representing the 1st through the 9th day, *Mid-month* representing the 10th through the 19th and *Late month* representing the 21st through the end of the month. The cultivar of a species will not be listed unless it is significant for the floral quality of the plant.
