Dear Friends of Spring Grove,

Over the past several years, we've developed such positive momentum and engagement with our community. It saddens us and breaks our hearts to cancel the entire 2020 event season. We are not able to provide a safe experience and ensure social distancing at our events, especially those that draw thousands of people. Community engagement is such an important part of Spring Grove and we know so many of you look forward to various events throughout the year. We are busy planning next year's schedule of events and hope to have a wonderful 2021 event season, including celebrating our 175th 'PLUS ONE' Anniversary. Keep taking your beautiful photos of Spring Grove, we will once again launch our photo calendar contest in August.

Because cemeteries and funeral homes are considered essential businesses Spring Grove has remained open to grieving families and those needing our services. The cemetery office is open M-F 8am-5pm, Sat 8am-4pm, currently our office remains closed on Sundays.

Social distancing measures are in place to ensure a safe experience. Spring Grove employees are required to wear masks. We strongly encourage visitors to wear masks when entering the office. The cemetery gates are open daily 8am-6pm. Gates are open until 8pm on Mon and Thur from May - August. Spring Grove has respectfully served the community for 175 years and will continue to do so for another 175. Our hearts and prayers go out to those who are navigating uncertain times and those who have suffered losses.

Be well and as always, take care of yourself and each other.

*The Spring Grove Family*
